Seamaster 2018 ITTF World Tour Hungarian Open

January 2018

Dear President Nátrán, Dear Secretary General Dr. Dávid Phd,

The ITTF would like to thank the Hungarian Table Tennis Association for being a fantastic host of the Seamaster 2018 ITTF World Tour Hungarian Open.

The city of Budapest was hosting the tournament for the 5th time and is a great place for an ITTF World Tour event. Majority of the key points, from playing facilities to hospitality to transport all ran very smoothly, and we received many favourable comments from those who watched the event on itTV. The ITTF Staff who were on site will send you a detailed report with their feedback but overall they also have a positive impression from the event.

I also followed the matches and it looked very good from the TV pictures and it was great to see the presentation of our sport. Personally it makes me very happy to see so many spectators in the hall on the final days.

My congratulations to you and your team for a great hosting and a big Thank You to you and your whole team for the organization of the Seamaster 2018 ITTF World Tour Hungarian Open.

Please forward my big thank to all involved, especially to MOATZ, the Local Organising Committee, Pannonsport , your team of volunteers and all those involved in the organisation.

With best regards,
