REFERENCES FROM THE 2016 TOURNAMENT

*"Danish International is the only tournament of its kind in Denmark and lots of praise to HGI Hillerød Table Tennis Club to establish this tournament this year!
The organization with team as well as single events gave all contestants, regardless of level, plenty of matches during the three days of the event.*

For me it was also an obvious opportunity to test the shape of those players associated with the national team, who are in consideration for this Summer's tournaments. It gave me the possibility to assess the players in action both in single as well as double, which was an advantage.

I will return for the event in 2017!"

Christoffer "Stuff" Petersen, Elitecoordinator, Danish Table Tennis Association

"We were very pleased and will ensure that more Swedish players attend next years Danish International event. I believe this tournament will develop into international standard as both facilities and organisation is perfect.

I'll be certain to spread the word about Danish International to my international contacts as well :-)"

Peter Sartz

"So many thank you's to send to all our fantastic hosts at the Danish Youth International last weekend- Lone, Torsten and the team did a magnificent job in the huge organisation involved with an International event- we will be back next year but with more English Vikings!"
